

FORENSIC ACCOUNTING SERVICES

Expert solutions for business disputes and third-party commercial insurance claims

We are a dedicated team of experienced forensic accountants and investigators with access to a diverse range of other in-house experts and specialists across the globe.

We provide forensic accounting and expert witness services for businesses in a wide range of industries including utility suppliers, public institutions, insurers and legal advisers. We also offer business valuation and fraud investigation and prevention services.

We help clients achieve the best result in resolving business-related disputes and third-party commercial insurance claims. We do this by applying our proven skills as expert forensic accountants in the investigation, clarification and evaluation of complex circumstances and financial damages.
